Take your safety to the next level with the 1400A Ultra-Wide Angle Camera—engineered to reduce blind spots and help you spot potential hazards before they become problems. Whether you're navigating busy roads or tight work zones, this robust camera delivers consistent, high-quality imaging and peace of mind. Ideal for commercial truck camera systems and truck fleet camera systems. Upgrade to the 1400A Ultra-Wide Angle Camera for a robust, versatile solution that enhances your vehicle's safety and operational efficiency—keeping you one step ahead on every journey. Great for integration with backup camera for truck and rear view camera aftermarket projects.
