Convoy Technologies, Inc. to Launch New Company Website

Fort Wayne, IN— 2/27/19 — Convoy Technologies will launch their new website www.convoytechnologies.com on March 4, to coincide with the company's display at Work Truck Show 2019.

“This new website will allow customers to more easily engage with Convoy Technologies, and get the information they need to make better buying decisions,” said company president Ron Harker.

The company will be showcasing its new website: www.convoytechnologies.com, as well as leading technology in wireless cameras, IP cameras and proximity sensors at the Work Truck Show in Indianapolis, IN March 5-8.
