1800AHD

Extreme

Extreme Cameras are the standard for the Heavy Duty industry for quality, performance and reliability. Extreme cameras are designed utilizing premium chip sets from the best in the business.

- Premium Image
- Dust and Water Proof; High pressure wash resistant
- Flush, front, rear, and side mounts available
- 3-Year Warranty

IP1910IRHC

Digital

Convoy's newest innovation is the latest generation of high resolution, all digital, Ethernet based IP camera for use in multiple camera installations. Optimized for use with Android, Windows, and other digital monitor control systems.

- Zoom, mirror, color adjust and flip the image with Convoy software
- Dust and Water Proof; High pressure wash resistant
- 3-Year Warranty

3550M

Performance

Convoy's Performance Cameras are a perfect blend of durability and performance while maintaining the highest levels of quality. This combination provides exceptional value for a variety of applications.

- Exceptional Value
- Dust and Water Resistant
- Flush, front, rear, and side mounts provide maximum visibility for any application
- 1-Year Warranty

1300RF

Wireless

Convoy's wireless camera combined with our wireless monitor provides for an easy installation when running video cables is not practical. The system utilizes a 2.4 GHz frequency and unique algorithm to provide for a secure and reliable connection.

- Premium Image
- Dust and Water Proof
- Ease of Installation
- 1-Year Warranty
